

## Niger - ORS 3W (August 2014)

Organization	Admin1	Pcode	Cluster	Activity
Cooperazione Internazionale - COOPI	Tillabery	NER2208	Protection	Advocate for the inclusion of psychosocial support (mother-child support to the mother or parent) in the minimum intervention package Nutrition sector
Cooperazione Internazionale - COOPI	Tillabery	NER2208	Protection	Mapping and analysing vulnerability of communities living in areas with high rate of Global Acute Malnutrition focusing on risks and impact on protection of boys, girls, women and people living with specific needs
Cooperazione Internazionale - COOPI	Tillabery	NER2208	Protection	Supporting awareness and training for parents (mother and father) on key family practices, specialized psychosocial support (mother-child relationship)
FAO	Agadez	NER2202	Food Security	Capacity building and technical support to partners in food security, DRR/M and resilience
FAO	Agadez	NER2202	Food Security	Distribution of livestock inputs (restocking , animal feed , zoo veterinary inputs... )
FAO	Agadez	NER2202	Food Security	Emergency distribution of agricultural inputs for irrigated crops (excluding off season gardening)
FAO	Agadez	NER2202	Food Security	Emergency distribution of agricultural inputs for the main /rainy season (including lowland crops)
FAO	Agadez	NER2202	Food Security	Establishment of community gardens / home gardens / hospital gardens / school gardens / nutritional gardens with NTFP (Moringa , Baobab , etc.).
FAO	Agadez	NER2202	Food Security	Promoting actions of cereal banks / seed banks/warrantage and early cereal purchases
FAO	Agadez	NER2202	Food Security	Protect and rehabilitate / strengthen livelihoods of food insecure households through the distribution of livestock inputs (restocking , livestock feed and other zoo veterinary inputs )
FAO	Agadez	NER2202	Food Security	Protect and rehabilitate / strengthen livelihoods of vulnerable households through the distribution of livestock and pastoral inputs (restocking , animal feed, zoo veterinary inputs)
FAO	Agadez	NER2202	Food Security	Protect and rehabilitate / strengthen livelihoods of vulnerable households to climate hazards through the distribution of agricultural inputs for irrigated crops (excluding off season vegetable gardening)
FAO	Agadez	NER2202	Food Security	Protect and rehabilitate / strengthen livelihoods of vulnerable households to climate hazards through the distribution of agricultural inputs for off season gardening and season recession crops
FAO	Agadez	NER2202	Food Security	Protect and rehabilitate / strengthen livelihoods of vulnerable households to climatic hazards through the distribution of agricultural inputs.
FAO	Agadez	NER2202	Food Security	Protect and rehabilitate/strengthen livelihoods of food insecure households through the distribution of off season agricultural inputs and recession gardening
FAO	Agadez	NER2202	Food Security	Protect livelihoods of food insecure households through the technical capacity building to improve production (pastoral Schools / Farmer field schools ... )

Organization	Admin1	Pcode	Cluster	Activity
FAO	Agadez	NER2202	Food Security	Protection and rehabilitation / strengthening livelihoods of food insecure households through the distribution of agricultural inputs
FAO	Agadez	NER2202	Food Security	Quality Control and Post Distribution Monitoring (PDM)
FAO	Agadez	NER2202	Food Security	Strengthening seed systems analysis capacities
FAO	Agadez	NER2202	Food Security	Strengthening the national monitoring of agricultural and food situation
FAO	Agadez	NER2202	Food Security	Support animal feed for storing
FAO	Agadez	NER2202	Food Security	Support for agriculture for the main season
FAO	Agadez	NER2202	Food Security	Support to livestock and fisheries (restocking, animal feed, livestock treatment, fishing inputs ...)
FAO	Diffa	NER2203	Food Security	Capacity building and technical support to partners in food security, DRR/M and resilience
FAO	Diffa	NER2203	Food Security	Distribution of livestock inputs (restocking , animal feed , zoo veterinary inputs... )
FAO	Diffa	NER2203	Food Security	Emergency distribution of agricultural inputs for irrigated crops (excluding off season gardening)
FAO	Diffa	NER2203	Food Security	Emergency distribution of agricultural inputs for the main /rainy season (including lowland crops)
FAO	Diffa	NER2203	Food Security	Establishment of community gardens / home gardens / hospital gardens / school gardens / nutritional gardens with NTFP (Moringa , Baobab , etc.).
FAO	Diffa	NER2203	Food Security	Promoting actions of cereal banks / seed banks/warrantage and early cereal purchases
FAO	Diffa	NER2203	Food Security	Protect and rehabilitate / strengthen livelihoods of food insecure households through the distribution of livestock inputs (restocking , livestock feed and other zoo veterinary inputs )
FAO	Diffa	NER2203	Food Security	Protect and rehabilitate / strengthen livelihoods of vulnerable households through the distribution of livestock and pastoral inputs (restocking , animal feed, zoo veterinary inputs)
FAO	Diffa	NER2203	Food Security	Protect and rehabilitate / strengthen livelihoods of vulnerable households to climate hazards through the distribution of agricultural inputs for irrigated crops (excluding off season vegetable gardening)
FAO	Diffa	NER2203	Food Security	Protect and rehabilitate / strengthen livelihoods of vulnerable households to climate hazards through the distribution of agricultural inputs for off season gardening and season recession crops
FAO	Diffa	NER2203	Food Security	Protect and rehabilitate / strengthen livelihoods of vulnerable households to climatic hazards through the distribution of agricultural inputs.
FAO	Diffa	NER2203	Food Security	Protect and rehabilitate/strengthen livelihoods of food insecure households through the distribution of off season agricultural inputs and recession gardening
